WASP, Teacher

Will ya let me learn you something
Oh I will, indoctrinate your mind
Wont ya let me be your love your mother
The greatest of all time
On your knees confession your obsession
Ill dominate you dark
I gave you hell to take you to heaven giving you
Star spangled hearts

In the time end oh youve learned nothing my brother Teacher to your kind
Oh independence one [won] you nothing but a Sudden death in overtime
Salute the flags oppression your blessing
I got a bigger gun
Than all you fucking beggars all ya put together Im uncle Sammys son

I will be your teacher baby I will be your flame Slide to reach you maybe I wont know no shame

I will be your teacher preacher On your knees and you pray Father of your addiction, tell me Am I the one that youll blame
