## WASP, What I'll Never Find

[BIlly to Jesse]

Time to go away
Down a road I cannot hide
Will I have no name
For destiny's I cannot find
Will I wander alone
Forever's lonely road of time
Am I looking for what
I'll never find

Did you call my name
I will be leaving from this dream
Can you feel the pain
Slowly leaving me
Will you hold my hand
And ease me to the other side
Am I looking for what
I'll never find

Can you hear me Can you hear me in the night Will you feel me If you leave me will I cry? Can you hear me Can you feel me say goodbye
