

Wasted Youth, Young And Bored

Speed kills
Cheap thrills
with points or pills
Speed kills

Why I'm always high I don't know
Is my life a lie I don't know
will I ever try I don't know
Cuz I think I'm gonna die
I just don't know

Speed kills
Cheap thrills
with points or pills
Speed kills

Young and bored in California
Got nothing else to do
Nothing else to lose
My whole life is a lie
Wanna get high

Speed kills
Cheap thrills
With points or pills
Speed kills
