Waterdeep, Without You

Daddy, I don't know what to do So, Daddy, now I'm looking straight at you I just don't want to try it on my own again Cause I'll just end up all alone again

Right now I don't know where to go And no one can tell me how the wind's gonna blow Just don't want to try it on my own again Cause I'll just end up all alone again without You and nothing to do

CHORUS: Without You, There's nothing to my life at all When I leave You is when I fall

I always feel so far away like walking home would take six days I've tried to wring water out of sand I've gotten off my knees and tried to stand without You and nothing to hold on to

CHORUS: Without You There's nothing to hold on to Cause when I'm lost, I find you
