

Waterloo & Robinson, My little world (Eurovision

Birds and bees and other trees are things
Money doesn't buy, but sunshine brings
Oh... how beautiful they can be
When you say the one you love is me
Here we are - free to go
When you say you love me so
I just love my little world, I don't need no new sensations
All I want's the simple life, loving you's a sweet temptation
I just love my little world, I don't need no new sensations
All I want's the simple life, loving you's a sweet temptation
We're not rich, buy everything is fine
I'm sure the one I love is mine
I don't need to be a millionaire
Money doesn't make a love affair
Here we are - free to go
That's what makes me love you so
I just love my little world, I don't need no new sensations
All I want's the simple life, loving you's a sweet temptation
I just love my little world, I don't need no new sensations
All I want's the simple life, loving you's a sweet temptation
I just love my little world, I don't need no new sensations
All I want's the simple life, loving you's a sweet temptation
