

# Watermark, Holy Roar

Trees of life are blooming  
Your word plants the seed  
And we see it growing  
Your kindness leading to repentance  
We see traces of deliverance  
Lord, thank You for mercy

chorus:

Oh, can you hear it?  
It's the song of the redeemed  
The pursuit of passion for the One who set us free  
Oh can you hear it?  
We're crying out for more  
So listen to our song  
It's turning into a holy roar  
A holy roar

Rivers of renewal  
Spirit whisper a revival  
And send us rushing  
Lord send us rushing..  
Open hearts with hopes of unity  
We're servants to love in lost humanity  
Lord send us reaching

chorus

And we come rejoicing and singing and crying out to You Lord  
Can You hear the holy roar  
As we respond to Who You are and all that You have done  
Lord with our lives, with all that we are  
We return to You, Oh God  
You are holy God  
We lay down our lives, our songs, these tears, Lord  
Can You hear the holy roar? These cries, these prayers  
can You hear the holy roar? Still hear the holy roar
