

Watermark, In The Garden

I come to the garden alone
While the dew is still on the roses
And the voice I hear
Falling on my ears
The Son of God discloses

(chorus)
There is none like
No one else can touch my heart like you do
I could search for all eternity, Lord and find
There is none like you

You speak and the sound of your voice
Is so sweet the birds hush their singing
And the melody that you give me
Within my heart is ringing

(chorus)

You walk with me and you talk with me
And tell me I am Your own
And the joy we share as we tarry here
None of us has ever known

(chorus 2x)
