

# Watermark, Incorruptible

Incorruptible, indescribable  
Salvation's calling  
When I was longing  
Now You're the strength that holds my life  
With a love that will never die  
And never fade like the flowers  
It is a love that stands forever!

Oh I am not redeemed by corruptible things  
Not by silver, not by gold  
And not by aimless tradition  
But by the blood of God's sacred Son Jesus  
Oh You alone are my living hope  
And my inheritance is  
Incorruptible

Incomparable, inconceivable  
Your plans for me  
Shall always be  
And for the day that You're revealed  
My heart is forever sealed  
With the promise of mercy  
And the hope of all Your glory!

Oh sacred Son  
Who paid the price  
Oh may I live a grateful life  
That magnifies Your name forever!
