

# Watermark, The Glory Of Your Name

It was in the way You came  
As a lowly babe  
That Your glory was displayed  
And it was in the sacrifice  
Of the purest life  
It was in Your Father's will obeyed

chorus:

The perfect Lamb that was slain  
And there's the glory of Your name  
No other one, no other way for me to see  
You took my place, You are the way  
And there's the glory of Your name  
Yes, there's the glory of Your name

It was in Your victory, risen for the world to see  
That all who would believe could enter in  
And it is in the passionate price  
Now demanding all my life  
And beating in the chambers of my heart

chorus

And there is nothing in this world  
That could take the place of You  
That could take the place of You my Jesus  
And there is nothing in this life  
That could take the place of  
One life, one love  
One power to save us all  
One hope, one truth  
And one glory in it all  
One glory in it all

chorus
