

Wave, Don't Leave

I laid my heart out on the line
I couldn't keep it locked inside
All because my pride
I was so wrong
With every moment that goes by
I wonder how can I
Keep you in my life

Chorus:
Don't leave this way
I ain't too proud to beg
And I know that I'm to blame
Though I never meant to hurt you at all

Please try and understand
This is not a what I had planned
Now it's all in your hands
Don't let it go

Don't leave this way
I ain't too proud to beg
And I know
That I'm to blame
Though I never meant to hurt you at all

I never knew love like this before
I never wanted more
I'd never let it go

Don't leave this way
I ain't too proud to beg
And I know
That I'm not to blame
Though I never meant to hurt you at all

(Chorus)
