Wave, Don't Leave

I laid my heart out on the line I couldn't keep it locked inside All because my pride I was so wrong With every moment that goes by I wonder how can I Keep you in my life

Chorus:

Don't leave this way I ain't too proud to beg And I know that I'm to blame Though I never meant to hurt you at all

Please try and understand This is not a what I had planned Now it's all in your hands Don't let it go

Don't leave this way I ain't too proud to beg And I know That I'm to blame Though I never meant to hurt you at all

I never knew love like this before I never wanted more I'd never let it go

Don't leave this way I ain't too proud to beg And I know That I'm not to blame Though I never meant to hurt you at all

(Chorus)
