

# Wave, Don't Say Sarah

It's just another day  
I'm off to work its all the same  
That's how it's been  
Getting used to this routine  
I hid the pain inside, to keep my mind occupied  
At least that's the plan  
I wear the bravest face I can

Just when I think I'm doing alright  
Someone says that magic word again  
I'm asking you please--

Don't say Sara no more  
Don't say her name because she hurt me so  
And I just can't let go (ooo oh...)  
Don't say Sara no more  
Don't say her name cause things ain't like before  
She's not my girl no more (no more)(more x6)

Almost myself again  
I think my heart is on the mend  
I'm doing ok,  
Feeling stronger everyday  
Could I give it a try it's been a while  
I think that I'll go out with my friends  
Maybe I can start again

Just when I catch a girl smiling at me  
Someone tears the band-aid off and then  
It all comes back so---

Don't say Sara no more  
Don't say her name because she hurt me so  
And I just can't let go (ooo oh...)  
Don't say Sara no more,  
Don't say her name cause things ain't like before  
She's not my girl no more (ain't like before)

Don't say Sara no more  
Don't say her name because she hurt me so  
And I just can't let go (ooo oh...)  
Don't say Sarahno more  
Don't say her name cause things ain't like before,  
She's not my girl no more

Don't say Sara (no more)  
Don't say her name (don't say her name)  
Don't say Sara no more (don't say her name x3)  
Don't say her name  
I'm askin' you, please...

Just when I think I'm doing alright  
Someone says that magic word again  
I'm asking you please

Don't say Sara no more  
Don't say her name because she hurt me so (don't say it)  
And I just can't let go (I can't let go)  
Don't say Sara no more (no, no, no)  
Don't say her name cause things ain't like before  
She's not my girl no more

Don't say Sara no more (Don't say no...)  
Don't say her name because she hurt me so (Don't say no... x2)

And I just can't let go (ooo oh...)  
Don't say Sara no more  
Don't say her name cause things ain't like before  
She's not my girl no more.
