

# Wave, Morning Delight

She came from London  
She's wearing a Stones shirt  
She's got a ticket to ride  
She's got her tongue pierced  
But said that it don't hurt  
And now she's right by my side

I'm going there's no stopping  
I just can't get enough of this

Chorus:  
C'mon let it out let it in now  
C'mon let it shine with a little love  
C'mon black it out pack 'em in now  
A little morning delight  
C'mon, c'mon

She gave up coffee  
She's doin' the clean thing  
She's got a one track mind  
It's pouring outside  
But she don't wear a rain coat  
And now she's right by my side

I'm going there's no stopping  
I just can't get enough of this

Chorus:

And in the middle of the night  
You know it feels so right  
That morning delight

I'm going there's no stopping  
Yeah she's going there's no stopping  
Yeah I'm going there's no stopping  
I just can't get enough of this
