

Wave, Until The Record Breaks

I saw you standing by the stack of forty-fives
Looking at 'I Want You Back' by the Jackson Five
I really want to show you my affection
As we flip through my record collection

<l>(CHORUS)

I wanna hang out with you
Play it all day
Fall into the words they sing in 'Every Breath You Take'
I want to turn it up loud, get carried away
You and me in synchronicity
Until the record breaks

<l>(verse 2)

I saw you crack a smile then turn the other way
While the speakers in the record store were
Playing Marvin Gaye
Let's get it on, Let's get it on

<l>(CHORUS)

I just want to come together
Dancing in the living room
On a Sunday afternoon

<l>(CHORUS)
