

Waveshock x Piotr Wiater, Feelin' Love

Feelin love, Feelin love

Time, time and again
You say u when
i can feel it only
You want it to say
believes when you'll say
will you be my only
You, you're my escape
It's never too late
Just to say "sorry"
Love hidin' inside
So open your eyes
So please don't worry...

Feelin Love, Feelin love, Feelin Love
Feelin Love, Feelin love, Feelin Love
Feelin Love, Feelin love, Feelin Love
Feelin Love, Feelin love, Feelin Love

You, You by my side
Though never hands
When you hold me closely
Love always a God
Along for the ride
You're my one and only!

Feelin Love, Feelin love, Feelin Love
Feelin Love, Feelin love, Feelin Love
Feelin Love, Feelin love, Feelin Love
Feelin Love, Feelin love, Feelin Love
