

# Wavorly, Summer Song

Spread the blanket on top, and I'll turn off the lights  
And we'll gaze at the stars  
With you by my side, the moon set to the right  
It's incomparable so far

I haven't stopped falling in love  
Haven't stopped falling

Two years ago, I had no idea that you were so perfect  
As we wait so long, until we join hands  
You make the wait worth it

I haven't stopped falling in love  
Haven't stopped falling

Now years down the road  
Still hasn't gotten old to sit and laugh the day away  
There's one thing you should know  
My love for you grows even more every day

I haven't stopped falling in love  
Haven't stopped falling in love

And the day that I finally can take you home  
There's no way that I'm ever, ever letting go  
We'll be ok, though miles may separate  
There's no space between our hearts  
And this day, I choose to keep loving you  
As if it were a choice, I can't stop falling

I haven't stopped falling in love

Spread the blanket on top, and I'll turn off the lights
