

Wayburn Dean, I Want To Know You More

I WANT TO KNOW YOU MORE
(Steve Reischl, Michael O'Brien)

I want to know you more Jesus
I want to know you more Lord
I want to know you, you're all I'm living for
I want to know you more
I want to know you more Jesus
I want to know you more Lord
I want to know you, you're all I'm living for
I want to know you more

I want to know your voice when you are calling
I want to feel your touch in my despair
I want to know you'll catch me, when I'm falling
Just to know you are there

I want to know you more Jesus
I want to know you more Lord
I want to know you, you're all I'm living for
I want to know you more

Take my hand, and deliver me
From my sin, my iniquity
Show me the way
Lead me Lord I pray

I want to know you more
I want to know you more
I want to know you more
I want to know you, you're all I'm living for
I want to know you more.
