

# Wayburn Dean, Wait On me

WAIT ON ME  
(Janae Dean)

So now you think you're ready  
I know you've made your plans  
I see you getting restless  
Letting go of my hand  
You're such a hurry  
You say you have a song  
Time has not yet come  
With hope just carry on

Wait on me  
Be still and know that I am God  
Put your faith in me for I am here just  
Wait on me  
Its time to grow, now you can rest  
I will show you when to wait on me

It seems like nothings moving  
I know you wondering when  
Be strong in faith, wait patiently  
And know that I'm your friend  
I know the things that you've been through  
You call upon my name  
I was there when you were hurting  
And I won't forget your pain

Bridge  
I will renew your strength  
And you will fly with wings of an eagle  
So tell the world of my love  
And I will bless your song again
