

# Waylon Jennings, Door Is Always Open

Saw your picture in the paper and I see you've married good  
And I know that he can give you all the things I never could  
But I know that he can't give you what you need most of all  
So the door is always open and the light's on in the hall  
Yes the door is always open and the light's on in the hall  
And you know that I'll be waiting if you'd ever come to call  
( guitar )

When night falls on that mansion and you're lying in his bed  
When he begs for your attention will you think of me instead  
When he reaches out to touch you is your face turned to the wall  
Well the door is always open and the light's on in the hall  
Yes the door is always open...
