

Waylon Jennings, I Can't Keep My Hands Off Of You

You know I can't stand to be around you cause you know I'm still in love with you
And my arms keep reaching to do what my thoughts do all the time
I just can't keep my hands off of you
Cause it's like looking at heaven while I'm standing in hell
We shared something precious for a while
You look just like a baby in a cradle to me I just can't keep my hands off of you

Woman you've got the man inside my body trembling the way only you know how to
And I guess that's just one of a million reasons I just can't keep my hands off of you
Cause it's like looking at heaven...
