

# Waylon Jennings, I Do Believe

I'n my own way I'm a believer  
in my own way right or wrong  
I don't talk too much about it  
it's something I keep working on  
I don't have too much to build on  
my faith has never been that strong

there's a man in that old building  
he's a holy man, they say  
he keeps talking about tomorrow  
while I keep struggling with today  
he preaches hell, fire and brimstone  
and heaven seems so far away

I do believe in a higher power  
one that loves us one and all  
not someone to solve our problems  
or to catch me when I fall  
he gave us all a mind to think with  
and to know what's right or wrong  
he is that inner spirit  
that keeps us strong

in my own way I'm a believer  
but not in voices I can't hear  
I belive in a loving father  
one I never have to fear  
that I should live life at it's fullest  
just as long as I am here
