

Waylon Jennings, I'm A Long Way From Home

I wish I knew the force within me
That keeps my mind out of control
What makes me reach for things that I cant see
I wish I'd stayed at home like I was told

I'm a long way from home
And so all alone
Homesick, like I never thought I'd be
I'm a long way from home
And everything is wrong
Someone, please watch over me
