

Waylon Jennings, Let's Turn Back The Years

Darling let's turn back my years and go back to yesterday
Let's pretend that time has stopped and I didn't go away

We had our love to make us happy it wasn't meant to bring us tears
Love like ours should never die so darling let's turn back the years

(steel)

We had our love...

Darling let's turn back my years...

Darling let's turn back my years...
