

# Waylon Jennings, Sick And Tired

Oh baby, tell me what you gonna do  
Oh baby, tell me what you gonna do  
I'm sick and tired  
From foolin' round with you.

Get up every morning pick up somethin' to eat  
I'm gonna go to work and you brush your teeth  
Come home in the evenin' and you're still in bed  
Got a rag tied round your head.

Oh baby, tell me what you're gonna do  
I'm sick and tired a foolin' round with you.

It's the last time I'm tellin' you  
Better change your ways  
Last time I'm tellin' you  
I mean what to say.

Last time I'm tellin' you you better stop to try  
You're gonna find yourself outside  
Oh baby, tell me what you're gonna do  
I'm sick and tired from fooin' round with you.
