Waylon Jennings, Willie The Wandering Gypsy

Verse 1: D Three fingers whiskey, pleasures the drinkers Е And moving does more than the same things for me Willie he tells me that doers and thinkers Ε Say moving is the closest thing to being free Verse 2: D Well he's rosined his reggins, laid back his wages E He's dead set on riding in the big rodeo D My woman's tired with an overdue baby Willie keeps yelling hey gypsy let's go Chorus: E D А Willie you're wild as a Texas blue northern D А Ready rolled from the same makins as me I reckon we're gonna ramble till hell freezes over E Willie the wandering gypsy and me Verse 3: А Ladies we surely will take off your favors And we'll surely warn you there never will be А A single soul living that could put brand or handle On Willie the wandering gypsy and me Verse 4: А D Dance on the mountain, shout in the canyons Е Swarm in a loose heard like a wild buffalo А D Jamming our heads full of figures and angles And telling us stuff that we already know Chorus(x2).
