Waylon Jennings, You've Got To Hide Your Love

Here I stand hand in hand Turning my face to the wall If she's gone I can't go on With no love at all.

Everywhere people stare Each and every day I can see them laugh at me I can hear them say.

You've got to hide your love away. You've got to hide your love away.

How can I even try, I can never win Hearin' them, seein' them in the state I'm in How could she say to me love will find a way Gather round all you clowns let me hear you say.

You've got to hide your love away. You've got to hide your love away...
