

Wayne Wonder, Kinda Lady

Soowidodidodiiii yeah yeah,
la la la di, la la la di
Soowidodidodiii sheah yeah baby,
Mmmmmmmmm
The looks in your eyes,
Comes as no surprise
The passion you have
For your baby
Makes me realize
You wont compromise
The things in your life
to look shady
There comes a time in life
that you must be
Who you must be (YEAH)
And by your vines
I find
There still a few with good qualities (yeah)
Youre my kinda lady
Let it be me(let it be me baby)
You are the sweet Angelie
Youre my kinda baby
Im hoping its me (hopin its me)
You are the love eternally
Youre my kinda lady
Let it be me(let it be me)
You are the sweet Angelie
Youre my kinda baby
Im hoping its me (hopin its me)
You are the love eternally
I love how you dress
And im so impress
The way that you care yourself daily
Even under duress
And so much stress
By dealing with your babys daddy
But nothing can change my mind
And I cant wait for you to be free(yeah)
Cuz ill never find this kind
So I wanna show what youre to meeee(yeah)
Youre my kinda lady(lady)
Let it be me(let it be me)
You are the sweet Angelie
Youre my kinda baby
Im hoping its me (hopin its me)
You are the love eternally
Youre my kinda lady
Let it be me(let it be me)
You are the sweet Angelie
Youre my kinda baby
Im hoping its me (hopin its me)
You are the love eternally
Your rainbow slows me
And god always shows it
On your arms and knees yeah
Youre so warm and cozy
That gurl you exhaust me
So aaaall the love I give
Youre my kinda lady(lady)
