

Wayne Wonder, Slowly But Surely

Slowly surely, slowly surely
I'll walk away from
that old desperate and tainted love
caught up in a maze of love
the crazy crazy love
thought it was good
thought it was real
thought it was
but it wasn't love

I just don't know
Where i should go
So
Slowly surely
I'll walk away from
self-serving
undeserving
constantly hurting me love
deserting me love
you said, I said, we said
but

Slowly surely
I'll walk away from
confusing love
misusing love
abusing love
this can't be

Slowly surely
I'll walk away from
self serving
undeserving
constantly hurting me love

I just don't know
where I should go
No
I just don't know
know, know, know
Where I should go
so

Slowly surely
I'll walk away from
that old desperate and dazed love
caught up in the maze of love
the crazy craze of love

thought it was good
thought it was real
thought it was
but it wasn't love

I just don't know where to go
So

Slowly surely
I'll walk away from
I'll walk away from
Slowly surely
I'll walk away from love
Oh
Lonely, surely one step at a time

but surely
I will pass the old love aside
and love me
Lonely,
surely I'll walk away from
slowly surely I'll walk away from desperating love
caught up in the maze love
crazy crazy crazy love
slowly surely, I'll walk away from (repeat 5 times)
Sloooooowly Suuuuuuurely, slowly surely
