## Wayne Wonder, The Mood Is Right

1, 2, 3 Wayne Wonder Baby Soooooo Ohhhhhh Same Song Left SiDe Lets Go for the ladies Baby Sooo Ohhh Mmmmmm...

The mood is right (so right so right) so lets get it on tonight im gonna take my time (take my time girl) so baby give me what i like

Girl... something about the way you move caputred me im like a slave for your love that it cant set free darling everytime you are around me you feel so divine you send chills up my spine

The mood is right (so right so right) so lets get it on tonight im gonna take my time (take my time girl) so baby give me what i like (what i like)

Girl...

baby anytime that were apart i always wanna feel all of your tender touch you know i want it so much baby now that we are together right here right now i wanna make up for those times with you tonite

The mood is right (so right so right) so lets get it on tonight (lets get it on) im gonna take my time (take my time girl) so baby give me what i like (wat i like)

Grl...

so good so right (so good so right) so good so good so right (so good so good so right) so good so right (so9 good so right) so good so right (so right)

the mood is right (so right so right) so lets get it on tonight (lets get it on) im gonna take my time (take my time girl) so baby give me what i like (what i like)

something about the way you move captured me im like a slave for your love that it cant set free darling everytime that you are around me you feel so divine you send chills up my spine

the mood is right (so right so right) so lets get it on tonight (lets get it on) im gonna take my time (take my time girl) so baby give me what i like (what i like)
