

# Wckr Spgt, A Thousand Hail Marys

It never seems to fail.

A thousand "Hail Marys" and I'm still among the wretched.

I'll betcha dimes to donuts  
that this treachery will prevail.

Don't bug me! I'm serious!

Don't bug me.

It's not that hard to see.

A lousy dollars worth of premises and penance.

I'll put your hell in a handbasket  
and send it back to you.

Don't bug me! I'm serious!

Don't bug me.
