

# Wckr Spgt, Back At The Charles Mountain

Ox ox ox  
Ox with foot  
Foot no Shroud  
Ox is proud  
Man man man  
Man on rocks  
Rubbing his putrid crack  
In the gravel on the mountain side  
What a grotesque display  
You must be some kind of pervert  
Does that feel good?  
Is it condoned by God?  
Is the ox a convert?  
Bee dripping asphalt  
Turbulent pomegranate  
A milk white dove  
Shoe  
Powdered back  
Wright off  
Spotted yellow moon tan  
Cut, Charles Mountain.
