

Wckr Spgt, No Sign Of Danger Part Iii

And from her eyes came a sudden
Real eyes Asian
This must be about her waking up
To a morning dusted with lies and misnomers
About tiny camps and animals
Is there really a Mr. Chilk?
Is he really as big as an ox?
Is Tarla clumsy as a bag of sticks?
Did she ever have the chicken pox?
These four questions caused her anger
Once again,
No sign of danger.
