

# We Are Domi, Lights Off (Czechy - Eurowizja 202

I lost my soul  
Forgot my way  
There's no mistakes  
That I've not made

Changes hurt  
And I'm alone  
But people say  
'My, how you've grown'

Tried changing jobs  
Tried changing lovers  
Changing my furniture  
Change my bed covers

I'd change my heart  
But there's not a chance  
So I turn the lights off

Where are you now when I miss you?  
You're sailing around in my peripheral  
Where are you now?  
Where are you now?  
Where are you now, ohhh

Where are you now?

I'll ring the changes  
Make a plan  
I'm small, but mighty  
Yes, I can

I'll build a fortress  
I'll build a wall  
I'll be a queen  
Invincible

Tried changing jobs  
Tried changing lovers  
Changing my furniture  
Change my bed covers

I'd change my heart  
but there's not a chance  
So I turn the lights off

Where are you now, when I miss you?  
You're sailing around in my peripheral  
Where are you now?  
Where are you now?  
Where are you now, ohhh

Where are you now?

Once again I'm left without control  
I'm far away, but can you hear me call?

Where are you now?

Where are you now when I miss you?  
You're sailing around in my peripheral  
Where are you now?  
Where are you now?  
Where are you now, ohhh

Where are you now?
