

We Are Scientists, War Mastered

I've been counting down the days until you notice
Theres a right way and a wrong way to approach this
but i'm not stupid
despite how it seems
you can't do this
i'm not listening

Why does everything have to become a lesson
theres a difference between candor and confession
Well i'm not stupid
despite how it seems
you can't do this
i'm not listening

(Chorus)

You, you say what you want
Everyone else is wrong
Nothing i do is my fault
(Tell them that) You, you say what you want
Everyone else is wrong
Nothing i do is my fault
so cut it out

I've been counting down the days until it happens
It's the wrong way to approach this kind of action
Cause i'm not stupid
Despite how it seems
You can't do this
I'm not listening

(chorus)

You, you say what you want
Everyone else is wrong
nothing I do is my fault
(Tell them that) You, you say what you want
everyone else is wrong
nothing I do is my fault
This means war

Well i'm not stupid
despite how it seems
you can't do this
i'm not listening

(Chorus)

You, you say what you want
everyone else is wong
nothing I do is my fault

(Tell them that) You, you say what you want
everyone else is wrong
nothing I do is my fault
so cut it out
