

We Are Shining, Wheel

Wheel of life spinnin' round
Off display, hear the sound
Wheel of life in my hand
Take a stroll, understand
Wheel of life spinnin' round
Off display, hear the sound
Wheel of life in my hand
Take a stroll, understand
Hey understand
Hey

Hey ho hey ho
Wheel of life
Wheel of life

She's a sorrow
And she's rising
She's a sorrow
And she's rising, hey!

Ha, get it!

Wheel of life spinnin' round
