

Weatus, A Little Respect

i tried to discover
a little something to make me sweeter
o baby refrain, from breaking my heart

Im so in love with you
i'll be forever blue
that you give me no reason
You know your making me work so hard
that you give me no
that you give me no
that you give me no
that you give me no soul
i hear you calling
oh baby please (give me a little respect)
give a little respect to me

and if i should falter
would you open your arms out to me
we can make love not war
and live with peace in our hearts

Im so in love with you
i'll be forever blue
what religion or reason could drive a man to forsake his lover

dont you tell me no
dont you tell me no
dont you tell me no
dont you tell me no so
i hear you calling
oh baby please (give me a little respect)
give a little respect to meeeeeee

Im so in love with you
i'll be forever blue
that you give me no reason
You know your making me work so hard
that you give me no
that you give me no
that you give me no
that you give me no soul
i hear you calling
oh baby please (give me a little respect)
give a little respect to meeeeeee
