

Webb Pierce, I Thank My Lucky Stars

I thank my lucky stars for every day I spent with you
I thank my lucky stars because I found a girl so true
Many times I've seen of the girls I might have had
Watched them while they fall in love and watched it turn out bad
So when I count my blessings honey youre my number one
And when I count my heartaches thanks to you they're number none
So if I see I'm little bit too much in love that's true
I thank my lucky stars because I found a girl like you

(I thank my lucky stars for every day I spent with you
I thank my lucky stars because I found a girl so true)
Many times I've seen...
