

# Webb Pierce, It's Been So Long

It's been so long since we said goodbye  
I guess that's the reason why I sit and cry  
I miss you baby every day and night  
It's been so long since I held you tight

Everything's different since you went away  
It gets so lonely every night and day  
I can't help feeling that you ought to know  
I love you baby and I miss you so  
Nothing ever seems the same my sunshine has turned to rain  
Every time I hear your name my heart becomes a burning flame  
It's been so long since we said goodbye...  
[ fiddle - steel ]  
It's been so long since we said goodbye...  
Everything's different since you went away...  
It's been so long since we said goodbye...
