

Webb Pierce, Rainbow At Midnight

After the war was over I was coming home to you
I saw a rainbow at midnight out on the ocean blue
The stars in heaven were shining the moon gave its light from above
I saw your face in this rainbow it made me think of our love
[piano]

We'll build our home in the country and make all our dreams come true
There we will make a heaven sweetheart just for we two
Here we will live so happy and have a baby or two
We'll name them after this rainbow because it reminds me of you
After this life is over and our journey here is through
We'll move to the land of this rainbow and live in the stary blue.
