

# Webb Pierce, Rainbow At Midnight

After the war was over I was coming home to you  
I saw a rainbow at midnight out on the ocean blue  
The stars in heaven were shining the moon gave its light from above  
I saw your face in this rainbow it made me think of our love

We&#039;ll build our home in the country and make all our dreams come true  
There we will make a heaven sweetheart just for we two  
Here we will live so happy and have a baby or two  
We&#039;ll name them after this rainbow because it reminds me of you  
After this life is over and our journey here is through  
We&#039;ll move to the land of this rainbow and live in the stary blue.
