

# Webb Pierce, Smile Of A Clown

Painted face keeps right on hurting me you left me lonely as a boy can be  
I wear the smile so it don't show but everybody knows I'm wearing the smile  
Laugh clown laugh clown that's what they say oh how long can I go on this way  
Telling jokes all over town knowing all the while I'm wearing the smile of a clown  
Sure I'm laughin' laughin' to keep from cryin' cryin'  
But I'm just hidin' hidin' the hurt you left my darlin'  
Why oh why must I go on this way you left me lonely only yesterday  
I look in the mirror dear saw a face and a tear wearing the smile of a clown  
Sure I'm laughin' laughin'...  
I'm wearing the smile of a clown.
