

Webb Pierce, Sweet Memories

I'll still have memories sweet memories of you
Sometimes I wonder now and then of all the things that might have been
Thinking of the things we used to do
What do words would have meant then will never mean the same again
I'll still have memories sweet memories of you
(Memories) of the past (dreams of things) that didn't last
I'll still have memories sweet memories of you

[steel]

I brought your mem'ry of the past from all the things that didn't last
A memory of love I thought was true
Regret some things I made that you always planned but never do
That's what brought memories sweet memories of you
(Memories) of the past...
