

# Webb Pierce, Too Long

Too long you waited too long to come home and your lover don&#039;t need you anymore  
Too long you waited so long to come home so don&#039;t knock upon my door anymore  
Well you say you stayed out late swinging on that garden gate  
Too long you waited too long to come home so your lover don&#039;t need you anymore  
[ steel - piano ]  
Too long you waited too long...  
Oh no no your lover don&#039;t need you anymore.
