

Webb Pierce, Try Me One More Time

Yes I know I've been untrue and I have hurt you through and through
But please have a mercy on this heart of mine

Take me back and try me one more time

If my darling you could see just what your leaving done to me

You'd know that love is still a tie that binds

Take me back and try me one more time

[guitar]

In my dreams I see your face it seems there's someone in my place

But does he know that you were once just mine

Take me back and try me one more time

If you'll just forgive me now I'll make it up to you somehow

I'll promise never again to be unkind take me back and try me one more time.
