

Webb Pierce, Welcome To My World

Welcome to my world won't you come on in miracles I guess happen now and then
Step into my heart leave your cares behind
Welcome to my world built with you in mind
Knock and the door will open seek and you will find
Ask and you'll be given the key to this world of mine
I'll be waiting here with my arms unfurled waiting just for you welcome to my world
[piano]
Knock and the door will open...
