

# Webb Pierce, Welcome To My World

Welcome to my world won't you come on in miracles I guess happen now and then  
Step into my heart leave your cares behind  
Welcome to my world built with you in mind  
Knock and the door will open seek and you will find  
Ask and you'll be given the key to this world of mine  
I'll be waiting here with my arms unfurled waiting just for you welcome to my world  
[ piano ]  
Knock and the door will open...
