

Webb Wilder, Ain't That A Lot Of Love?

"Ain't That A Lot Of Love?"

I know the desert can't hold
All the love that I feel in my heart for ya
If I could spread it out across the sea

I know my love would cover it up
Ain't that a lot of love
For one heart to hold

Looky here
If the bees only knew
How sweet you were baby
They'd seal up their honeycomb

If the birds could hear
How sweet you voice is
They'd tighten up their song

Ain't that a lot of love
For one heart to hold
Ain't that a lot of love
For one heart to hold

Your lips are so sweet
Honey you're
My every need

You've got a smile
That's so rare
Another girl
I can't compare

Ain't that a lot of love
For one heart to hold

Now listen

If the cook in the kitchen
Had a touch as hot as yours
He wouldn't need a fire

If you think of a word
That describes you better
Than the sky above

Ain't that a lot of love
(Ain't that a lot of love)
For one heart to hold

Ain't that a lot of love
(Ain't that a lot of love)
For one heart to hold

Ain't that a lot of love
(Ain't that a lot of love)

Ain't that a lot of love
(Ain't that a lot of love)

Ain't that a lot of love
(Ain't that a lot of love)

Ain't that a lot of love

(Ain't that a lot of love)

Ain't that a lot of love
(Ain't that a lot of love)

Ain't that a lot of love
(Ain't that a lot of love)

Ain't that a lot of love
(Ain't that a lot of love)

Ain't that a lot of love
(Ain't that a lot of love)
