"Baby Please Don't Go"

Baby, please don't go  
Baby, please don't go  
A'baby, please don't go down to New Orleans  
I love you so  
Baby, please don't go

Well your man done gone  
Well your man done gone  
Well your man done gone down the county farm  
He had shackles on  
Baby, please don't go

Before I'll be your dog  
Before I'll be your dog  
Before I'll be your dog, getcha way down here  
'N make you walk the log  
Baby, please don't go

A'baby, please don't go  
A'baby, please don't go  
A'baby, please don't go down to New Orleans  
I love you so  
Baby, please don't go, yeah

Hit me

This song is by Big Joe Williams  
From down in Crawford, Mississippi  
Lord Got he must've sold a million  
Now got to meet him one time  
About a year before he died, yeah

I was standing in the Mississippi  
Sun was shinin' down on me  
Waitin' for him to arrive  
Directly after a while, my eyes could clearly see  
Big Joe behind the wheel of a Plymouth Fury 3  
I was makin' up the driveway looking at me  
I knew pretty soon we'd be keeping company

I wanted to talk to him, yeah  
I got the chance and I said  
I said well, get ready  
&quot;Hey, Big Joe, hey, Big Joe, hey, Big Joe, hey, Big Joe  
What are your favorite songs you ever recorded?  
Your favorite songs you ever recorded?  
Your favorite songs you ever recorded?  
Your favorite songs you ever recorded?&quot;  
And he said, &quot;Baby, Please don't go&quot;  
Highway 49, people still love that&quot;  
I said, &quot;Didn't Howling Wolf, do Highway 49?&quot;  
Big Joe said, &quot;Huh! He tried&quot;

Before I'll be your dog  
Before I'll be your dog, woof  
Before I'll be your dog, I'll get you way down here  
I'll make you walk the log  
Baby, please don't go

Baby, please don't go  
Baby, please don't go  
Baby, please don't go down to New Orleans

I love you so  
Baby, please don't go
