

Webb Wilder, Big Time

"Big Time"

One more town on the merry-go-round
one more room with no view
One more bum gettin' nothing but the shun
Tryin' to get a phone call to ya
Well now maybe I'll never
Get myself together
Maybe it's the end of the line
But I'm havin' a ball
I'm bouncin' off the wall
You're never too small
To hit the big time

One more slob feelin' sick as a dog
And playin' one more mess of the blues
One more dive more dead than alive
Tryin' to get my message through
Well now maybe I'll never
Get myself together
Maybe it's the end of the line
But I'm havin' a ball
I'm bouncin' off the wall
You're never too small
To hit the big time
(Never too small) (never too small)

I say you're never too small
To hit the big time
They can make you crawl
They can make you fall
But you're never too small
To hit the big time
(never too small) (never too small)

I say you're never too small
To hit the big time
If you're fat
If you're bald
Don't matter at all
Because you're never too small
I say you're never too small

To hit the Big time, yes indeed
(Big time) Limosines
(Big time) Well you can have it all
(Big Time) Bippibipbip yeah!

One more crowd shoutin', "Turn it up loud!"
One more rose at my feet
One more ring from that cute little thing
One more reason to cheat, yeah
Well now maybe I'll never
Get myself together
Maybe it's the end of the line
But I'm havin' a ball
I'm bouncin' off the wall
You're never too small
To hit the big time
(never too small) (never too small)

I say you're never too small
To hit the big time
They can make you crawl

They can make you fall
But you're never too small
To hit the big time
(never too small) (never too small)

I say you're never too small
To hit the big time
If you're fat
If you're bald
Don't matter at all
Because you're never too small
I say you never too small
To hit the big time, yes indeed
(Big time) Limosines
(Big time) You can have it all
Because you're never too small, yeah

Big time
Big time
Don't you wanna make the big time?
Yeah yeah yeah yeah
Big Time
