

Webb Wilder, Hole In My Pocket

I got a hole in my pocket and I don't know what to do
I got a hole in my pocket and I don't know what to do
I can't seem to save a dollar like my baby darlin' wants me to

Well I told my baby we could have a little fun tonight
Well I told my baby we could have a little fun tonight
But it won't be so funny when there ain't a bit of money in sight

Ooh ooh ooh, what'll I do, my money's all gone baby baby it's true
I got a hole in my pocket, I don't know what to do
What'll I do?

When I don't show up well what'll my baby do?
When I don't show up well what'll my baby do?
She'll travel through the tunnel of love with someone new

I got a hole in my pocket and my money just runs on through
I got a hole in my pocket and my money just runs on through
I can't seem to save a dollar like my baby darlin' wants me to

Ooh ooh ooh, what'll I do, my money's all gone baby baby it's true
I got a hole in my pocket, I don't know what to do
Roll on

Ooh ooh ooh, what'll I do, my money's all gone baby baby it's true
I got a hole in my pocket, I don't know what to do
I got a hole in my pocket, I don't know what to do
